MEMORANDUM FOR: Director of Special Activities

SUBJECT : October, November and December 1967 Monthly  
Report - OSA Communications Division

25X1A6a

Operational activity, the Program Call and preparations for the move to [REDACTED] caused delays in compiling our separate monthly reports. While by this time the subject report period lacks current status the general activities involved are important as a matter of record and, though late, are forwarded for that reason. While the three months represented here are combined as a quarterly report, following reports will resume monthly distribution.
